

ounded 100 years ago by Margaret Sanger,
Planned Parenthood has happily fulfilled her dream of preventing millions of "unfit" lives from seeing the light of day.

Their documented abuses include:

- the sale of aborted baby body parts
- covering up sexual abuse of minors
- Medicaid fraud and taxpayer overbilling
- aiding and abetting sex traffickers

Planned Parenthood does not deserve our hard earned taxpayer dollars and we ask our leaders to DEFUND PP NOW!

EVERY CHILD DESERVES A BIRTHDAY!

WE THE UNDERSIGNED CHOOSE LIFE AND URGE OUR ELECTED REPRESENTATIVES TO PROTECT OUR MOST VULNERABLE CITIZENS, BORN AND UNBORN.
